

CAREERS IN

HEALTH & SOCIAL CARE

Health and social care is one of the most enjoyable and rewarding sectors to work in with the opportunity to make a difference in people's lives every day.

It is the second largest employment sector in Greater Manchester with around 152,000 people employed in the industry. In the coming years there will be more career opportunities for young people with a passion for care as tens of thousands of employees are expected to retire, move or change career in the coming years.
