MAKING SURE YOU CAN ENROL

Tameside College wants to make sure your interview and enrolment is easy, safe and personal.

To help us, we need you to apply online at **www.tameside.ac.uk**

When coming along to your appointment, please make sure you have the payment for your course or relevant documentation for fee remission (dated within 3 months of the start of the course). Documentation to be provided can be proof of means tested benefit, wage slip if annual gross salary is below earnings threshold of £25,000 or a letter of support from your employer if they are funding your fees.

We also need your national insurance number.

PAYING FOR YOUR COURSE

If you do need to pay fees, then you can pay for your course by cash, cheque, credit/debit card or direct debit. If you wish to pay by direct debit you must bring with you your bank details including full address, account number and sort code.

Direct debit is not available for some short courses and a minimum tuition fee applies. You can pay in six instalments, depending on the tuition fee. The first payment must be made when you enrol. If your company is paying for your tuition, please bring a letter from your employer on letter headed paper so the College can invoice them directly.

COURSE FEES

The tuition fees shown in this guide refer to the cost of the course in this academic year.

The only exception to this is when the course duration is 2 years and an Advanced Learner loan is used to pay for the course. In this case the fee paid is for the duration of the course.

Tuition fees don't include professional body membership fees, or DBS checks where required. Tuition fees will be confirmed at the time of enrolment.

If eligible, the adult bursary may be able to support any additional costs.

N.B. Funding / prices may be subject to change

FUNDING FOR YOUR STUDIES

SUPPORT FOR STUDENTS ON LOW INCOMES OR IN FINANCIAL HARDSHIP

Even if you don't meet the requirements for free study, you could still get help with your tuition fees through the adult support fund.

FINANCIAL SUPPORT

If you are studying on a course that is Government funded, you may be able to get help towards costs such as books, travel, equipment and childcare. Contact our Student Financial Team on StudentFinancialSupport@tameside.ac.uk for further information.

TUITION FEE LOANS FOR HIGHER EDUCATION (HE) COURSES

New part-time and full-time students enrolling on HE courses are eligible for a student loan to cover tuition fees. Loans are not dependent on your income and do not affect any benefits you may receive. They accrue interest at a preferential rate and are not repayable until you are earning more than **£480** per week, **£2,274** per month or **£25,000** per year. If interested in teaching, then you can find more about ITE Bursary opportunities on page 11.

FUNDING YOUR STUDIES

ADVANCED LEARNER LOANS

If you are aged 19 or over and studying at Level 3 or above you can apply for an Advanced Learner loan to help with the cost of your course.

Loans are not dependent on your income and do not affect any benefits you may receive. It's easy to apply and you will only start making repayments when your income is more than **£480** per week, **£2,274** per month or **£25,000** per year.

DID YOU KNOW?

Applicants to Access to HE courses will have their Advanced Learner Loan written off if they progress onto and complete a HE Course which is eligible for Student Finance.

ELIGIBILITY

To qualify for the loan you must be:

- Aged 19 or over on the first day of your course (there's no upper age-limit) and starting your course on or after 1 August 2024.
- Living in the UK on the first day of your course and have lived in the UK for three years immediately before this, or have Settled Status in the UK. Other students may be eligible, check the .gov website for details.
- Enrolling on an eligible course at Level 3 or above which includes: Access to HE Diplomas, other Diplomas and Certificates

HOW TO APPLY

To apply for an Advanced Learner loan you can go online or download the form from the Student Loans Company. You'll get a letter confirming your loan usually within 2 weeks if you apply online, however postal applications may take longer. You need to complete your loan application before you enrol. Your place cannot be held open if you have not applied for a student loan.

REPAYMENTS

You'll be due to start repaying your loan in the April after you leave or complete your course, whichever comes first.

You pay back your loan (plus interest) when you finish your course and are earning more than £480 per week, £2,274 per month or £25,000 per year. You pay interest from the day the first payment is made to the College until your loan has been paid back in full.

Your repayments will stop if your income drops below £524 per week, £2,274 per month or £27,295 per year. Your monthly repayment amount will be 9% of any income you earn over this amount.

HOW MUCH WILL YOU GET?

Funding will depend on the type of course you wish to take. The minimum loan you can get is £300, however you don't have to borrow the full fee amount; you can pay the remainder of the fee yourself.
