16-19 STUDENT FINANCIAL SUPPORT (BURSARY) FUND POLICY 2027 – 2028 DRAFT

1. **POLICY STATEMENT**

The 16-19 Student Financial Support (Bursary) Fund is provided by the Department for Education (DfE) to help students overcome specific barriers to participation, to enable them to remain in education.

The College is committed to maintaining the integrity of its Student Financial Support (Bursary) awards and the validity of its assessment of qualifying criteria and has effective procedures for resolving appeals.

This policy sets out the financial support available through, and eligibility for, bursary funding for 16–19-year-old students enrolled at all campuses of Tameside College and Clarendon Sixth Form College.

The 16-19 Student Financial Support (Bursary) funds are managed by the College and are allocated on a first come first served basis via an online application and assessment process (https://tameside.paymystudent.com/portal). Applicants will be notified of their application outcome within 10-15 working days of a completed application.

The rules within this policy are set at the time of writing but the College reserves the right to adjust the criteria in year according to the funds available and in accordance with any changes that the DfE may make.

1) There are three types of 16 to 19 bursary, Discretionary and Vulnerable and Care to Learn (top-up):
Awarded to meet individual needs, for example, help with the cost of transport, free college meals, to buy essential books, uniform, specialist clothing (e.g. protective clothing), equipment and top up towards Care To Learn childcare costs. Additional support with domestic emergencies and/or in exceptional circumstances may be available*. Any awards will be reviewed on a regular basis and the college reserves the right to stop awards where it is felt it's no longer required.
**Separate application detailing students' domestic emergencies and/or in exceptional circumstances is required*

a) **Discretionary Bursary**: To be eligible the student must:
   i) Be aged 16 or over but under 19 at 31 August 2027 or 19 or over and continuing on a study programme they began aged 16 to 18 (19+ continuers) or students aged 19 or over who have an Education, Health, and Care (EHC) Plan.
   ii) Meet the residency criteria in DfE funding regulation for post-16 provision in the 2027 - 2028 academic year.
      - Accompanied asylum seeking children will not be given cash but may be awarded support in-kind.
   iii) Be participating in provision that is subject to inspection by a public body that assures quality (for example OFSTED). The provision must also be either:
      - Funded directly by DfE or via a local authority.
      - Otherwise publicly funded and lead to a qualification (up to and including level 3) accredited by OFQUAL or on our list of qualifications approved for funding
   iv) To qualify for the Discretionary Bursary support the student's gross annual earned household income must be below £40,000.
   v) Students with a gross annual earned household income of more than £40,000 can apply for Discretionary Bursary support providing the student can demonstrate they are facing financial hardship. In this instance the College will take into account any extenuating circumstances and a decision will be made.
   vi) An award for discretionary support may be awarded to eligible students where one or more of the following applies:
      - Specific course related equipment, books, protective clothing/uniform and college meal are needed for the student to participate in their college course or college approved work-related activity.
      - The student lives 1 mile or more from college or college approved work-related activity and the cost of travel is a barrier to attending. PayMyStudent (PMS) automatically measures distance using postcode.
      - An educational visit/field trip must be an essential part of achieving the student's study programme goals.
      - The student needs financial support for UCAS application costs and/or financial assistance towards a university open day or interview.

- The student is facing unexpected financial hardship that is creating a barrier to attending College and or learning.
- The student is taking part in an Industry Placement and incurs an increased demand for further travel to access their placement and/or incur additional participation costs, such as for equipment or clothing.
- The student needs financial support for a meal when in college.
- The student requires financial support to maintain their health and wellbeing.

vii) The bursary fund (discretionary bursary and bursary for defined vulnerable groups) **cannot** be used to:

- Provide learning support i.e., services that institutions give to students such as counselling, mentoring, extra tutoring or support such as servicing laptops/tablets.
- Support extra-curricular activities where they are not essential to the students' study programme
- Support the costs of foreign/overseas educational visits/field trips where the content of the trip can be found within England at a much cheaper cost and/or to support the costs of education visits/field trips that are not an essential part of a student's study programme.

b) **Vulnerable Bursary** Vulnerable bursary of up to £1,200 a year for young people in one of the defined vulnerable groups. To be eligible for the vulnerable bursary, students must be in one of the defined vulnerable groups:

i) In care.
- Including a young person placed with a foster carer by the local authority, including where the foster carer is on the books of an independent fostering agency.

ii) Care leavers.

iii) Receiving Income Support or receiving Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner.

iv) Receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.

v) The maximum bursary is £1,200 per student for defined vulnerable groups; will be awarded based on need to participate; will be awarded in-kind.

vi) Students aged 19 or over are not eligible for bursaries for vulnerable groups.

Students will only be awarded the amount of support they need to participate based on an assessment of the types of costs they have and will not be automatically awarded £1,200. Some may not have any actual financial need, this may be because their financial needs are already met and/or they have no relevant costs, and a student's application may be refused on this basis. Equally, the College can pay a bursary to a vulnerable group student of more than £1,200 if it assesses the student needs extra help to remain in education. Any payments over £1,200 will be paid from the College's discretionary bursary allocation. Where a student's circumstances change in-year and a student becomes eligible as a vulnerable student, they will receive a pro-rata amount.

c) **Care to Learn Childcare** awarded to help meet costs for Ofsted registered childcare for the children of young parents under the age of 20 whilst they are studying. The Care to Learn scheme can also support the young parent with any additional travel costs involved in taking their child to the childcare provider.

i) To qualify for Care to Learn (C2L) Childcare bursary support the student's gross household income must be below £40,000.00. If the student is eligible to receive vulnerable bursary support, the student must be in one of the defined vulnerable groups stated above.

ii) The student must be living and studying in England to receive C2L.

iii) The student must be the main carer and in receipt of child benefit for the child(ren) they are claiming C2L funding.

iv) Informal childcare provided by a relative cannot be funded.

v) No more than 3 children will be funded by the scheme

vi) The national rate payable for C2L funding is £180.00 per child per week.

vii) Funding is only to be used for timetabled days in college, work experience and industry placements that a student needs to attend as an integral part of their study programme and remote blended learning sessions plus 30 minutes travelling time before and after college hours. We will only pay for eligible childcare provided on production of an invoice supplied by an OFSTED registered childcare provider.

viii) If the child is eligible for government funded early years places or Childcare Tax Credits, these **must** be used to cover the required sessions.
ix) C2L funding can pay deposits of up to a maximum of £250.00 per child if the childcare provider requires this.
x) C2L funding will pay any registration fees that are charged by the childcare provider in the maximum sum of £80.00 per child. NB: this is a one-off payment and will not be paid for subsequent academic years if the student uses the same childcare provider.

2) **Not Eligible**

a) Students on apprenticeship programmes, or any waged training, are employed, rather than in education. They are not eligible for help from the Vulnerable or Discretionary Bursary Fund or Free College Meals.

b) Students who are aged 19 and over on 31 August 2027 are not eligible for support from the 16 to 19 Bursary Fund unless they:
i) Have an Education, Health and Care (EHC) Plan and are attending eligible education provision; or
ii) Are a 19+ continuer, in other words, a student who is continuing on an eligible Study Programme they began aged 16 to 18

c) Students on distance learning provision are not expected to need help from the bursary fund because they do not have the kinds of costs the bursary is intended to cover (travel, equipment, and uniforms, for example). In the rare instances where the college identifies such a student does require financial help, we will provide support in-kind. An example could be providing a temporary travel pass for the student to attend exams.

a) **Free School Meal Award criteria**: A student must be aged 16 or over but under 19 on 31 August 2027 to be eligible to receive a free school meal.
