# LEVEL 2 APPRENTICESHIPS **CAKE DECORATION / BAKERY**

[www.tameside.ac.uk](http://www.tameside.ac.uk)

## Why consider Apprenticeships?

- // Train to be a professional Baker or Cake Decorator
- // Maintain food safety in the workplace
- // Develop productive working relationships

## Why not get upskilled for your career?

- // Taught by professional tutors with Industrial experience
- // Learn skills of an excellent standard
- // Participate in national and international competitions
- // Opportunities to become a professional member of the Alliance for Bakery students and trainees
- // Learn in our dynamic workshops and practice your skills in the workplace

## Course content

- // You will build a portfolio of your work including photographs, direct observations including witness testimonies, written and oral questions.
- // The course will focus on your chosen pathway either Bakery covering weighing, measuring and processing, baking of products or Cake Decoration covering base making, icing, fillings and decorative skills, piping and coating.

## How our programme works

- // 12 or 18 month Apprenticeship
- // Day release to College
- // Practical learning and underpinning knowledge

## Course duration and format

- // 1 year
- // You will spend 4 days in the workplace which could include evenings and weekends
- // You will attend College 1 day per week which will consist of Maths and English, practical and theory sessions

## Qualification breakdown

- // Working in a safe, hygienic and secure manner
- // Working as part of a team preparing bakery / confectionary products
- // Preparing products based on your chosen route Bakery: a range of products for sale Cake Decoration: a range of products and development of decorative skills

## Functional Skills

- // English – Level 1
- // Maths – Level 1
