

## QUALIFICATION NAME

**LEVEL 2 APPRENTICESHIP – LIGHT VEHICLE MAINTENANCE AND REPAIR**

## AREAS COVERED

- Contribute to workplace good housekeeping
- Health and safety
- Maintain positive working relationships
- Carry out light vehicle routine maintenance
- Remove and replace light vehicle engine units and components
- Remove and replace light vehicle auxiliary electrical components
- Remove and replace light vehicle chassis units and components
- Remove and replace light vehicle transmission units and components

## COURSE CONTENT

- The main qualification is the diploma in motor vehicle maintenance and repair
- This programme is completed through the compilation of a portfolio which will include proof of competence using photographs, witness statements and assessor observations
- Training must include **20% off the job training**, which is undertaken outside of the normal day-to-day working environment and leads towards the achievement of an apprenticeship. This can include training that is delivered at the apprentice's normal place of work, but must not be delivered as part of their normal working duties
- Apprentices will also achieve level 2 functional skills in maths, English and ICT, if required

## DURATION / COURSE FORMAT

- The programme will take 24 months to complete
- The apprentice will spend 4 days in the workplace and attend college 1 day per week

Further information can be obtained from the apprenticeship department: 0161 908 6608

Apply online: [www.tameside.ac.uk](http://www.tameside.ac.uk)
