- an appropriate peer group.

For that purpose, the Committee will review and assess performance target goals and objectives established before the commencement of the relevant period and determine whether such goals and objectives have been achieved at the end of the relevant period.

7.3 The Remuneration Committee shall advise the Corporation on any compensation (including the augmentation of pension benefits) which may be payable in the event of an early termination of the employment of the Principal or any designated senior postholder, with the broad aim of:
