QUALIFICATION NAME

LEVEL 2 APPRENTICESHIP – SUPPORTING TEACHING AND LEARNING

AREAS COVERED

- This programme is designed for learning and support staff whose responsibilities involve working under the supervision of the class teacher to assist with duties based around classroom activities and lesson planning
- Occupational roles covered by this framework may include teaching assistant, classroom assistant, learning support assistant and additional needs assistant
- Support assessments for learning
- Communication and professional relationships with children, young people and adults
- Equality, diversity and inclusion in work with children and young people
- Support children and young people’s positive behaviour
- In addition to the mandatory units, apprentices select a minimum of 3 credits from a list of optional units. These include preparing and maintaining learning environments, supporting assessments for learning and supporting children and young people with disabilities and special educational needs

COURSE CONTENT

- The main qualification is carried out in the workplace and during day release at college
- Apprentices will comprise a portfolio of work and evidence including witness testimonies, written assignments, direct observations and oral questioning
- The structure of the course consists of the level 2 certificate in supporting teaching and learning in schools
- Training must include **20% off the job training**, which is undertaken outside of the normal day-to-day working environment and leads towards the achievement of an apprenticeship. This can include training that is delivered at the apprentice’s normal place of work, but must not be delivered as part of their normal working duties
- Apprentices will also achieve level 2 functional skills in maths, English and ICT, if required

DURATION / COURSE FORMAT

- This apprenticeship will take 12 months to complete
- The apprenticeship will be completed in the workplace, however functional skills will be carried out at college, if required

Further information can be obtained from the apprenticeship department: 0161 908 6608
