# WELCOME

## MESSAGE FROM THE PRINCIPAL

### Welcome to Tameside College.

As the top performing college in Greater Manchester for both school leavers and apprentices and the ninth best college in the entire United Kingdom, we aim very high for our students. Our students have the best success rates in Greater Manchester. (DfE statistics 2019)

**JACKIE MOORES**  
Principal

As a student, your career aspirations and your experience are very important to us. We will ensure you have a fulfilling and purposeful time with us by providing first rate learning, work experience, support and enrichment opportunities.

It is our role to prepare you for the best and most competitive degree courses at University and the most sought after apprenticeships with key employers; ultimately to position you for your future career. We have very high expectations of every member of staff and of every student. We will work with you and your parents and carers to push, stretch and challenge you to achieve, beyond your potential.

As part of the 'Vision Tameside' strategy in partnership with Tameside Council, we have a brand new Tameside One building in Ashton Town Centre (including the Digital & Computing Zone), which opened in April 2019. With the addition of the Advanced Technologies Centre and new Learning Hub and Food Hub at Beaufort Road, we now have the best educational estate in the north west. But our accommodation plans are not finished; we will move into an £11million purpose built construction skills facility in 2021 and have firm plans in place for the small remainder of our estate. We have the best environment for learning in state of the art facilities using high spec industry standard kit.

We are a national extended work experience college and run a maths centre of excellence; providing our students with the best possible start to their future career.

**Our mission is to transform lives through education and training, come and be a part of it!**

# It's Official

---

## Tameside College is a 'Good' college

---

“Teachers have developed creative activities that motivate and encourage students to acquire knowledge and skills.”

“Achievement rates for students are high.”

“Learners make good progress.”

“Senior leaders and managers have created a culture of high expectations.”

“Students and apprentices respect people from different cultures and backgrounds and this contributes to a welcoming and friendly atmosphere in the college.”

“**Tameside College** has an ambitious vision to be an outstanding college, providing first-class education and training for the people of **Tameside**.”

Ofsted Inspection report: 24-27 April 2018

Tameside  
College

# BRAND NEW CAMPUS

## TAMESIDE ONE

Exciting future as new town centre campus opened 2019.

Our brand new, town centre campus accommodates courses and training relating to the service sector, including:

- Bakery and Catering
- Business Studies
- Computing
- Hair and Beauty
- Travel and Tourism

## ADVANCED TECHNOLOGIES CENTRE

Cutting edge learning facilities opened 2016.

A five storey, iconic building, based on the Beaufort Road Campus, houses STEM subjects with cutting edge learning facilities, classrooms and workshops. This building was designed and built with employers and careers in mind, allowing our students to train to industry standard.

## NEW CONSTRUCTION CENTRE

We have started work on our £11 million construction centre at the Beaufort Road campus. The centre will open in 2021 and will house the college's construction provision in a new state of the art building - providing the best education facility for this industry in the north west.

# WHY CHOOSE TAMESIDE COLLEGE?

**THERE ARE MANY REASONS WHY YOU SHOULD CHOOSE TAMESIDE COLLEGE. WE PRIDE OURSELVES ON MAKING SURE THAT YOU ACHIEVE YOUR TRUE POTENTIAL.**

## **Our students say that the reason they chose Tameside College was because of:**

- industry standard facilities and teachers with industry experience
- the support from teachers to succeed and progress
- amazing extra-curricular and enrichment activities
- the links with employers, universities and apprenticeships
- the development of the site and buildings
- the opportunity to carry out work experience as part of the study programme

Students also say that they are supported and encouraged to actively take part in competitions to broaden their skills and confidence ready for employment or university.

## **Other reasons to choose Tameside College are:**

- industry standard courses
- progression routes to employment, university or an apprenticeship
- careers and university support and advice
- trips to places such as Dublin, Malaga, Manchester City FC, New York, Wella Studios and Silverstone F1 racetrack, to name a few
- brand new campus and improved estate

Students will have the opportunity to share their views and experiences through the learner voice forums.

Tameside College gives students the opportunity to become student ambassadors, which is a paid role. Student ambassadors visit schools and take part in college events, giving their experiences of the college to potential students.

# TRAVEL AND TRANSPORT

**LOCATED CLOSE TO ASHTON TOWN CENTRE'S TRANSPORT HUB, TAMESIDE COLLEGE IS ACCESSIBLE FROM VARIOUS LOCATIONS ACROSS MANCHESTER.**

## **By bus:**

### **Free bus travel for 16-18s with "Our Pass"**

Ashton bus station has 36 services which run frequently and are operated by Stagecoach and First Manchester. Many routes have buses running on average, every 15 minutes to and from the transport hub.

216 - to and from Manchester, passing through Audenshaw and Droylsden.

330 - to and from Stockport, passing through Dukinfield and Hyde. Services that travel from Ashton bus station to Beaufort Road are 236 and 237. Those travelling to Stamford Street are 353 and 354.

409 - to and from Rochdale, passing through Royton and Oldham

## **By train:**

Trains run every 30 minutes between Ashton-under-Lyne and Manchester Victoria station. This service, operated by Northern Railway, takes around 10 minutes and is a direct line.

## **By tram:**

Trams run every 12 minutes from Manchester to Ashton. The direct line from MediaCity, passing through Piccadilly, takes around 40 minutes.

## **Cycling:**

There are cycle spaces at the college campus. Ashton town centre also has two new cycle hubs which can accommodate over 80 bicycles. The hub is operated by secure automatic doors and CCTV. Use of the cycle hub costs £10 per year.

# PROGRAMME OF STUDY

When you come to college we will create a study programme specifically designed towards supporting you and your individual learning needs. From helping you choose the right course to getting the right support through your mathematics and English classes, Tameside College are here to help you through your college journey.

## YOUR CHOSEN COURSE

## SELF-STUDY

## WORK EXPERIENCE AND EMPLOYABILITY SKILLS

Choosing a course can be overwhelming after studying different subjects at GCSE. We'll give you the help and support you need to find out what you enjoy, what existing skills you have and what career paths interest you.

**Lauren Mole -  
Hospitality  
and Catering**

"I love the course I have chosen, the enjoyment I get out of this industry is amazing."

Self-study plays an important role in your college life as you are expected to manage your workload outside of the classroom in order to develop your own learning techniques and independence.

**Nathan Richards -  
Electrical Installation**

Nathan's teacher says: "Nathan has completed all exams and written work to high standards and this is down to him showing a drive for learning the subject in his own time, as well as in the workshop and classrooms."

Gaining work experience whilst on your course is essential to learning employability skills such as communication, teamwork, problem solving and decision making that will help with the transition from college into the working world.

**Samuel Bright -  
Catering and  
Hospitality**

"I enjoyed my work experience at the Principal Hotel in Manchester. It has allowed me to understand in more detail what is required to succeed in the industry."

There's more to college life than studying. Make the most of your time by learning new skills and making new friends through our wide range of enrichment activities such as sports, fitness and volunteering.

**Amy  
McBennett -  
Hairdressing**

Amy's teacher said: "Amy has grown in confidence due to her carrying out extra activities. Her professionalism is amazing."

As part of your study programme you will be assigned a progress tutor who will make sure you stay on the right track whilst studying and help you settle into college. Your progress will be reviewed to make sure you are achieving your full potential and to match your career aspirations.

**Morgan  
Whittaker -  
Childcare**

Morgan's teacher said: "Throughout her studies Morgan has remained focused and driven. Her work is excellent and it is evident that she puts in the extra work and time to succeed."

A basic knowledge of both mathematics and English is essential for success in any career and especially progression to university. All full-time students are required to take English and mathematics in their study programme if they haven't achieved at least a grade 4 at GCSE or functional skills level 2.

**Tiger-Lee  
Walker -  
Maths  
alongside Bakery**

Tiger-Lee's teacher said: "Tiger-Lee has extended her maths studies outside of the classroom and is a great role model to her peers."

# CHOOSING YOUR LEVEL AND ENTRY REQUIREMENTS

To support you in making the best choice for your individual needs we provide various levels of qualification at Tameside College, which means there is a level for everyone. To ensure that our students are successful in their studies, we require them to meet our entry requirements, however, you may hold other qualifications which may be useful to determine the level of course that is best suited to you.

## GCSE

G

- GCSEs are well known qualifications, which at college are taken over 1 year
- GCSEs can be taken alongside any of our courses
- Students who gain grade 3 in mathematics and English are expected to resit as part of their study programme
- GCSEs are now graded numerically

Students who gain a grade 3 in maths and English are expected to resit as part of their study programme, which is a requirement for university.

## ENTRY LEVEL

E

- Entry level is for those who do not hold any formal qualifications prior to starting at college
- They help students develop personal and social skills whilst studying mathematics and English

No formal entry requirements. Evidence of previous work or commitment to study may be required.

## LEVEL ONE

L1

- Level 1 qualifications provide a starting point for progression to higher level vocational routes
- Courses run for 1 year and allow progression onto level 2 qualifications

No formal entry requirements. Evidence of previous work or commitment to study may be required.

## LEVEL TWO

L2

- Level 2 qualifications provide a good foundation for students wishing to follow a particular vocational route
- Courses run for 1 year and allow progression onto level 3 qualifications
- Students are assessed by assignment and practical skills

3 GCSEs at grade 3 or above.

## LEVEL THREE

L3

- Level 3 qualifications provide routes for students wanting to progress onto higher education or employment
- Level 3 courses are usually taken over 1 year and are equivalent to 3 A levels

4 GCSEs grade 4 or above plus maths and / or English at grade 3 or above.

# HOW TO APPLY

## YOU CAN APPLY TO THE COLLEGE BY ONE OF TWO WAYS:

### ONE:

#### Online:

.....  
[www.tameside.ac.uk/on](http://www.tameside.ac.uk/on)

### TWO:

#### Paper based application:

.....  
A copy of the application form can be found at the back of this prospectus.  
.....

#### September 2019

You can apply to Tameside College for the academic year 20/21. The earlier you complete an application form, the more likely it is you will secure an interview and place for your chosen course.

#### February 2020

You should aim to have your completed application forms returned to the College. Ask your school careers advisor for support in completing the form, if you require it.  
.....

## APPLICATION PROCESS

- 1 **Submit completed application form**
- 2 **You will receive an acknowledgement text/letter from the College**
- 3 **You will be invited into college for an informal interview or be interviewed in school**
- 4 **Attend your allocated interview date and time**
- 5 **You will be offered a conditional place at the College**
- 6 **You will be invited to College events**
- 7 **Applicants who have been offered a place will be invited in to enrol in August 2020**

Once you have applied to Tameside College we will keep in regular contact with you, via newsletters and other communications.  
.....

August 2020**

**You will be invited to our events via your school, post or email.  
Keep a look out for your invitation.**

# Student Hub.

## Learning Support

### Learning support

We offer a range of support to meet your needs if you have a difficulty, disability or medical condition. If you have a specific disability or difficulty our team will support you to make sure you are successful on your course and at college.

## Wellbeing

### Wellbeing

Whether they are big or small, sometimes, we all face difficulties. If you have problems, or are feeling stressed our team is here to help you manage.

### Financial support

We are a great starting point if you need some help or support but aren't sure who to ask. We can help you find the information you need and the financial support you require.

## Financial Support

## Progress Tutors.

### Progress tutors

Our progress tutors provide you with support and guidance on a range of subjects through our tutorial programme. They will review your progress and keep you on track with your course. They will also help you reach your potential and support you with your choices for the future.

## Work Experience

### Work experience

Work experience and enrichment activities help you build the skills you need for a successful career. From taking part in work placements, doing wider activities such as volunteering or being a member of a college sports team, there are lots of ways to widen your experience.

## Next Steps.

### Next steps

Our team is on hand throughout the year to provide you with the right careers advice for your future; whether that's continuing in education or looking for employment.

# Next Steps.

**Many students progress to university after college.** Do you want to stay local and still study a degree or higher education qualification?

.....

## Tameside College offers Higher Education in:

- Business and Management
- Computing and IT
- Early Years
- Engineering
- PGCE / PrGCE
- Sport
- Teacher Education

You can apply to university or Tameside College via [www.ucas.co.uk/apply](http://www.ucas.co.uk/apply) (fees apply)

If you need support in completing an application for Tameside College's HE courses, visit Tameside College careers advisers.

The college advisers or your progress tutor will also be able to help you apply for universities via UCAS.

You can also progress into employment in the relevant fields, see course details for progression routes for particular courses.

We also offer a range of Access to Higher Education courses, such as Nursing/ Midwifery and Social Work, which prepare people for study at university.

# What is an Apprenticeship?

**An Apprenticeship provides you with the opportunity to earn whilst you learn. You will work towards a nationally recognised qualification.**

**Apprenticeships combine 'on the job' practical training whilst studying towards a qualification, all of them require off the job training, where you attend college classes and workshops.**

You will be employed and your employer will provide you with the opportunity to put into practise what you are learning at college.

You will be assigned an assessor from Tameside College to support you throughout your apprenticeship. They will visit you at your place of work and will guide you towards completing your qualification.

**Megan Ribbon**  
Painting and Decorating  
Apprentice

For further course information call: **0161 908 6789** | Apply online: [www.tameside.ac.uk/on](http://www.tameside.ac.uk/on)

## How to apply

### I am still in school

---

#### Show your interest in an Apprenticeship by completing the college application form.

- Online [www.tameside.ac.uk/on](http://www.tameside.ac.uk/on) or;
- Paper based form can be found at the back of this prospectus

#### What happens after I have applied?

After completing an application form our admissions team will process this and you will be informed of the next steps by text message and/or letter.

#### What happens if I don't have an employer lined up?

Our team will automatically process an application on your behalf for a full time college course which relates to your chosen apprenticeship. By August, if you haven't secured an employer who will support your Apprenticeship, you can enrol on the full time course until an employer is found.

#### I have started a full time college course but now have an employer?

If you have started a full time course with the college but in the meantime have secured an employer, let us know and we will arrange for you to carry out the Apprenticeship programme instead. We will need to confirm with the employer before processing your transfer.

#### I already have an employer lined up

You need to inform us of the employer so we can carry out the required processes to ensure they meet the criteria to support an Apprentice.

---

### I have already left school

---

Live vacancies are aimed for you to start as soon as possible.

You can apply for live vacancies via our website [www.tameside.ac.uk](http://www.tameside.ac.uk)

You will be directed to a college application form which will pull through which vacancy you are interested in.

Our Apprenticeship team will get in touch with you to carry out the relevant paperwork and ensure you meet the required specifications for the role.

# Apprenticeship Programmes

COURSE	LEVEL	DURATION	ABOUT

#ICanBe ...

## GM FACTS

There are 24 million  
pets in the UK

Over 1/5 of  
employees began  
with voluntary work

90% of pets are  
registered  
with a vet

86% of animal care  
businesses employ  
five people or fewer

GM will have its own  
zoo by 2021.

# AUTOMOTIVE

Due to the increase in people retiring from the automotive industry in Greater Manchester, there is a higher demand for skilled workers to replace those leaving. Economic growth will see more and more people relocating to Manchester, therefore there will be more vehicles using our roads which will ultimately lead to a higher need in repairs and motor technology. There is going to be a need for more skilled workers due to the development of green technology and electric cars.

---

## AND THERE'S MORE...

- Use our purpose built workshops onsite
- Train with some of the best facilities and equipment in the industry
- Onsite car paint spraying booth
- Colour match paint work with our onsite technology
- Support school pupils in building Greenpower kit-cars
- Take trips to well known race tracks such as Aintree

# JORDAN DOHENY

**Attended:**  
Mossley Hollins High School

**Study Programme:**  
Level 3 Automotive

**Progression:**  
Employment as a Motor Mechanic

I have enjoyed every minute of my time at Tameside College. The teachers have taught me so much. I have always been interested in this type of career as family members have encouraged me to do something I enjoy.

# AUTOMOTIVE

## COURSES

FOR ENTRY QUALIFICATIONS SEE PAGE 10

### AUTOMOTIVE BODY REPAIR

L1 L2

Duration • 1 year | Campus • Beaufort Road

Interested in automotive body repair? Body repairers learn a vast range of skills including fabrication, welding and fitting. Here at the college you will work on a range of projects from repairing car panels to rebuilding cars. More advanced projects include repairing accident damaged vehicles using sophisticated measuring or 'jigging' equipment. You will undertake exclusive and diverse project repair work on classic cars, modern cars and track cars incorporating traditional and advanced skill sets.

.....

### AUTOMOTIVE MECHANICAL

L1 L2 L3

Duration • 1 year | Campus • Beaufort Road

You will study and develop a wide range of skills required for employment in the automotive industry and/or career progression. You must complete ten units consisting of both practical skills and theoretical knowledge. Develop industry standard skills in our garage working on a range of cars and light vehicles. Learn inside our well-equipped garage and fine tune your skills on purpose built rigs for electrical, brakes and suspension. Acquire diagnostic testing skills on computer controlled systems.

Big car brand, Ford built their very first car in a GM factory

There are over **30 million** vehicles on British roads

**85%** of all Britain's vehicles are registered in England

Vehicle exports could increase by over **£4bn**

## AUTOMOTIVE PAINT

**Duration** ● 1 year | **Campus** ● Beaufort Road

Refinishing is a vast subject given that almost everything that surrounds us has a coating of some form or another applied to it for various reasons, ranging from abrasion resistance to simply decorative effects such as custom painting on a vehicle. We train and qualify students to refinish accident damaged vehicles, such as cars and motorbike panels, to a high standard. The unique advantage of this course is that we also train you and assist you in developing 'transferable skills'. These skills easily cross over into other areas of refinishing such as Vehicle S.M.A.R.T. repair techniques, industrial spraying or plant equipment, furniture painting and many more.

.....

## INTRODUCTION TO AUTOMOTIVE

**Duration** ● 1 year | **Campus** ● Beaufort Road

Do you have a keen interest in the motor vehicle industry and wish to progress? This entry level course is aimed as a starting point to those who have no prior knowledge of the automotive industry. You will learn skills and knowledge for a wide range of career progressions. Topics include engines, brakes, steering, tyres, exhaust, suspension and chassis components.

- Learn self defence from trained officers in the GM police force
- 20,000 new police officers will be appointed upto 2022

# LUKE SWEETING

**Attended:**  
Hathershaw College

**Study Programme:**  
Level 3 Public Services

**Progression:**  
UCLAN Policing and Criminal  
Investigation

**I am looking forward to starting my career in the police force. The Public Service study programme at Tameside College has helped me gain valuable experience and qualities. Thank you to the teachers for supporting my journey.**

*Luke Sweeting*

**Luke's  
teacher  
said:**

“Luke is a great role model for his peers. He always completed extra-curricular activities and is a valued member of the College’s ambassador programme. On top of this, Luke has also completed his Duke of Edinburgh bronze award. Luke is set to succeed in this industry.”

# PUBLIC SERVICES

## COURSES

FOR ENTRY QUALIFICATIONS SEE PAGE 10

### PUBLIC SERVICES

Various gyms, sports and leisure centres in GM

Getting people into fitness will save the NHS **£647,000** in 1 year alone

# STALYBRIDGE CELTIC FOOTBALL ACADEMY

Tameside College works in partnership with Stalybridge Celtic FC (SCFC) to provide a well-rounded football and education experience where you develop your academic knowledge alongside the practical and mental skills of the game. Coupled with coaching, practice and match experience under the supervision of the club's highly qualified coaching staff, students develop the skills and knowledge to help them progress academically and professionally. A few of our Celtic youngsters like Connor Jennings at Tranmere become full time professionals; more go into semi-professional football and combine this with employment in sport and leisure. Some of our our Level 3 Academy students progress into university with a Sports Science degree being a favoured option.

.....

## ABOUT THE COURSE

The Academy develops the skills of the whole player attack, defence and transition. Players learn a mix of technical, physical and psychological aspects of the game. Supported by an experienced team of coaches, including specialist goalkeeping, analyst, physio, conditioning, pastoral and welfare experts. We offer 3 to 4 weekly training sessions; personalised gym and nutrition programmes; structured pre-season training and matches. The Academy train and play across a mix of 4G artificial pitches; two state of the art gyms and at Stalybridge Celtic's Bower Fold ground; the best stadium in Tameside and the most impressive in the Evostik Premier League.

The academic element of the course includes study at level 2 or 3 in Sports studies. The qualification involves the study of: sports anatomy, physiology of sports and exercise, sports coaching, practical team sport, diet and nutrition, fitness instruction and business skills in sport.

.....

## ABOUT THE CLUB

Stalybridge Celtic FC first team play in the Premier Division of the Evostik league, the Academy play in the National League U19s Alliance (opposition include Crewe, Rochdale and Salford). The Academy also play in the FA National Youth Cup, alongside college games and targeted friendlies which provide for a broad range of footballer. Our academy has a direct pathway to the Celtic first team, as demonstrated by recent students attending training and being selected for first team matches. Our Academy students can broaden their skills and work opportunities through coaching, refereeing courses and work experience opportunities with Stalybridge Celtic FC, Stalybridge Celtic Foundation and Smurfit Kappa, our Academy lead sponsor.

.....

## ENTRY REQUIREMENTS

Refer to page 10 for more information on entry requirements.

.....

# AIDAN WINTERBOTTOM

**Attended:**  
All Saints RC High School

**Study Programme:**  
Level 3 Sport with  
Stalybridge Celtic FC

**Progression:**  
Sports Science degree at  
Salford University

**My best football memories are my first team Celtic goalkeeping debut aged 18 in a win versus champions Altrincham and winning the league with the Academy team.**

*Aidan Winterbottom*

Aidan chose the Celtic Academy because he saw himself progressing academically and was more likely to get first team football opportunities compared to other places, offering similar courses. He built good strong teacher relationships and really improved with regular feedback.

# TRAVEL AND TOURISM

There is a continuous growth in the travel and tourism sector due to the number of visitors travelling to Manchester, as the UK's third most popular city. The top three places to travel to from Manchester Airport are Amsterdam, Dublin and Dubai. As Manchester offers over 200 direct flights to destinations across the world, it is no wonder businesses are relocating to our city.

---

## AND THERE'S MORE...

- Links with prestigious employers such as Jet2, Virgin, Emirates and Etihad
- A high percentage of our students progress into employment with big names in travel
- Trips to worldwide destinations
- Onsite plane cabin to get the real experience
- Industry standard teachers
- Brand new facilities in Ashton town centre

# COURTNEY PYE

**Attended:**  
Glossopdale Community College

- Explore your career options
- Develop employability skills
- Visit employers, such as the Coca Cola factory, to find out about the world of work
- Take part in a range of different vocational tasters to pick the right course for you
- Take part in volunteering projects to help others across Tameside
- Develop a high quality CV and brush up on interview skills

### QUALIFICATIONS

- GCSE English and mathematics
- Functional skills in English and mathematics

### ENRICHMENT

- Full enrichment activities including sport and outdoor activities

### PROGRESSION

- Full time college course
- Apprenticeship/Traineeship
- Employment

### APPLICATION

- College application form
- 

# ASPIRATIONS

**Aspirations students work towards the skills they need to participate in the wider community and where appropriate, the world of work. Aspirations learners often have specific learning needs and may have an EHCP (Education, Health and Care Plan). They may have attended a special school for their 11-16 education.**

Aspirations support learners with a wide range of abilities with a personalised and flexible programme of study. Learners work towards externally recognised qualifications from City & Guilds, BTEC and NCFE from Entry Level 1 to Level 1. Learners will work towards improving communication and number skills and may complete a maths, English and IT functional skills qualification at an appropriate level.

Each learner at Aspirations will have an individual learning plan to assist them to develop the skills needed for adulthood and independence or supported employment. All learners have a personal, flexible, learner centred timetable selected from a matrix of subjects with consideration of their personal interests. Students can access one of many individualised curriculum pathways.

## PRE ENTRY TO LEVEL 2 SESSIONS CAN INCLUDE:

- Mathematics
- English
- IT
- Sensology
- Tacpac sessions
- Drama
- Music
- Art
- Horticulture
- Cooking
- Communication
- Sport
- Life skills
- Independent living
- Swimming
- Animal care
- Gardening & horticulture
- Work experience
- Everyday skills
- Accessing the community
- Enterprise projects e.g. recycling & sustainability
- Card making
- Personal and social skills
- British values
- Yoga
- Personal safety skills

**Supported Internship programmes are offered in partnership with Tameside Hospital, Active Tameside and Jigsaw Housing.**

**LIAM  
GRAHAM**

**RIZIKI  
USENI**

# ESOL COURSES FOR 16 TO 18 YEAR OLDS

This course is designed to support school and college leavers whose second language is English. As well as providing intensive English Language teaching, learners can take the first steps towards their future careers.

---

## LEARNING ENGLISH

The English for speakers of other languages course consists of the following key elements: reading, speaking, listening and writing. The programme will help learners develop study skills to complete assignments and keeping a portfolio. Students will also learn practical skills for employment such as writing letters and creating a CV. The qualifications, awarded by City and Guilds, are recognised by employers and education providers.

---

## CAREERS AND PROGRESSION

As students are based at Tameside College they have access to the range of career related courses. Taster sessions give students an experience of what courses are available and how they are assessed. Students starting the ESOL programme can progress to work and university through apprenticeships and full time courses. Most students will spend 1 year intensely improving their written and spoken English.

---

## ENRICHMENT AND SUPPORT

ESOL students take part in the full range of enrichment and sports activities which are a good way to make new friends and keep fit. They also have access to support across college including: careers guidance, work experience, learning and financial support.

# KANCHAN KHADKA

**Attended:**  
School out of Tameside

**Study Programme:**  
ESOL

**Progression:**  
Continue studies at Tameside College

**I will be continuing my studies at Tameside College to progress my skills. I like work experience.**

*Kanchan Khadka*

**Kanchan's  
teacher  
said:**

“Kanchan has grown in confidence and her written and spoken communication has vastly improved. Kanchan has been able to develop her skills for employment and recently started work experience.”
