FUNDING YOUR STUDIES

MAKING SURE YOU CAN ENROL

Tameside College wants to make sure your interview and enrolment is easy, safe and personal.

To help us, we need you to apply online at: www.tameside.ac.uk

When coming along to your appointment, please make sure you have the payment for your course or relevant documentation (dated within 3 months of the start of the course). Documentation to be provided can be proof of means tested benefit, wage slip if annual gross salary is below £20,888 or a letter of support from your employer if they are funding your fees.

We also need your national insurance number.

PAYING FOR YOUR COURSE

You can pay for your course by cash, cheque, credit/debit card or direct debit. If you wish to pay by direct debit you must bring with you your bank details including full address, account number and sort code.

Direct debit is not available for some short courses and a minimum tuition fee applies. You can pay over up to six instalments, depending on the tuition fee. The first payment must be made when you enrol. If your company is paying for your tuition, please bring a letter from your employer on letter headed paper so the College can invoice them directly.

COURSE FEES

The tuition fees shown in this guide refer to the cost of the course in this academic year.

The only exception to this is when the course duration is 2 years and an Advanced Learner loan is used to pay for the course. In this case the fee paid is for the duration of the course.

Tuition fees don't include professional body membership fees, or DBS checks where required.

Tuition fees will be confirmed at the time of enrolment. Individual eligibility and entitlement will be assessed at the time of enrolment.

N.B. prices may be subject to change
